The Bible Course
Explore the BIG story

Welcome to the Bible Course

The Bible Course will help you understand the Bible for yourself. Over eight sessions you will see the big picture of the Bible storyline - from Genesis to Revelation. Along the way you will pick up tools and skills to help you read it for yourself. Each session is interactive, with sections of teaching, discussion time and personal reflection. Between sessions there are daily readings to prepare for the following week. By the end of the course you will have confidence to pick up the Bible, read it for yourself and apply it to your life.

Enjoy the course
